### Prayers for Orlando

We would like to offer up our prayers and hearts to the victims, survivors, families, and all those affected by the recent horrible tragedy in Orlando.

In the wake of this weekend's tragedy and some of the disturbing events that have followed, we believe the Build for Unity effort in our community is needed now more than ever as we work to bring people together from all different beliefs and backgrounds to put aside our differences and build love and unity against prejudice and hate.

Please keep all those affected by the tragedy in your prayers

and let us continue to move forward with open minds and hearts as we BUILD for UNITY.

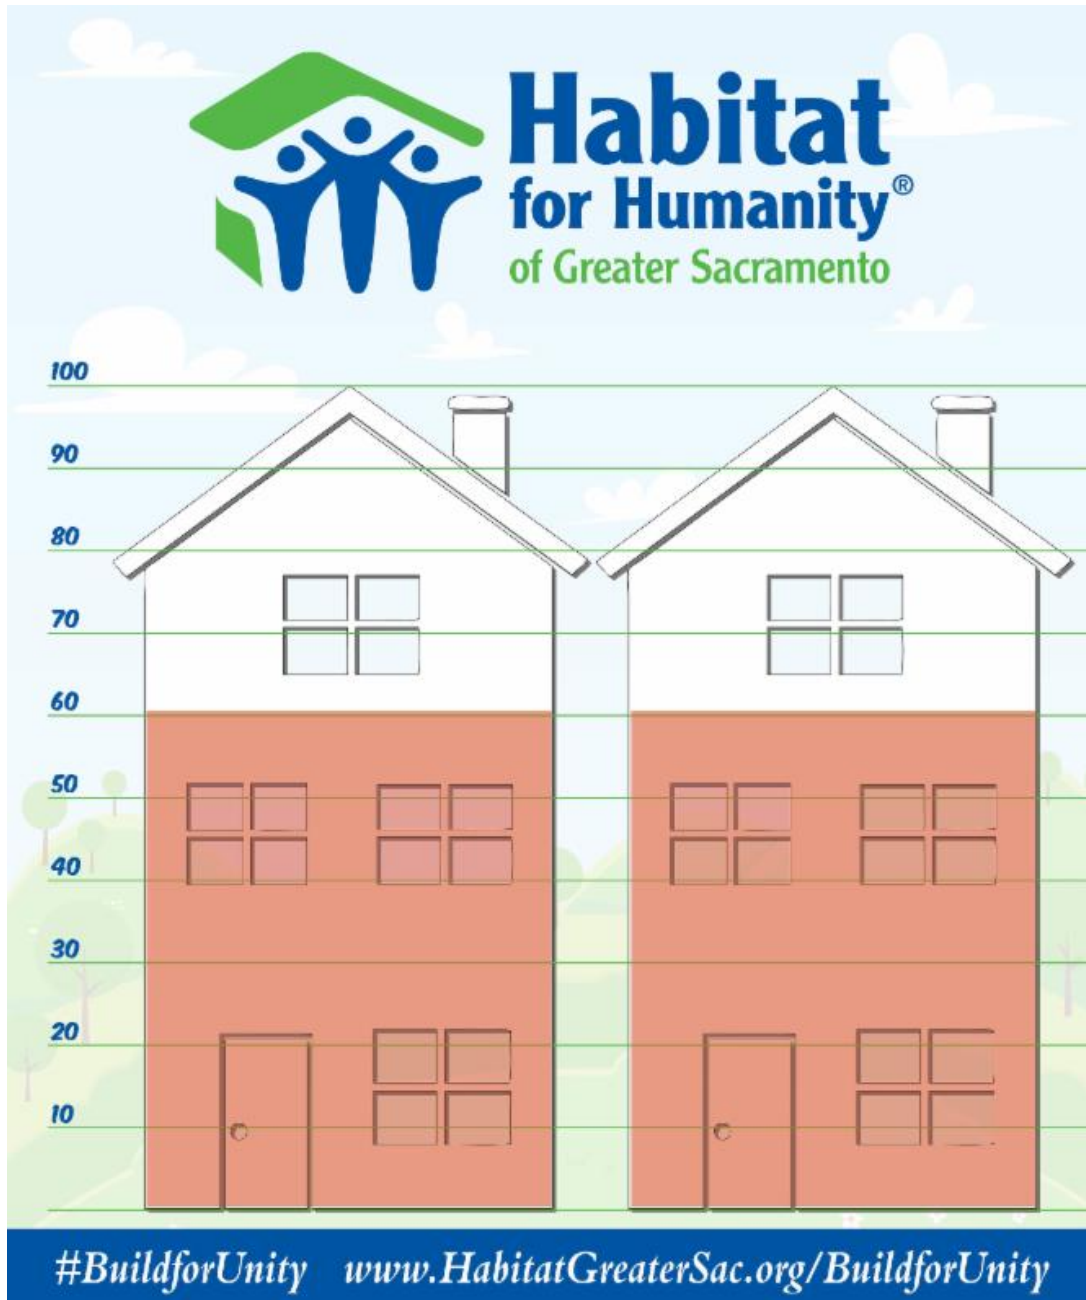

Thank you to everyone who attended our "Eat for Unity" event at the Sikh Temple last month!
