Habitat
for Humanity®
of Greater Sacramento

Who We Are

Habitat for Humanity of Greater Sacramento provides affordable home ownership opportunities to the low and very low-income families of our area, as well as preservation opportunities to our community's vulnerable elderly and Veteran populations. We are dedicated to empowerment, not entitlement and bringing people together to build and repair hope, homes and community.

Through our home builds, home preservation efforts, and Neighborhood Revitalization program - we serve over 2,500 individuals a year through build, repair, and community impact projects.

As a locally supported nonprofit, the work we do is only made possible through support from our local community.

To see the direct impact your support can make, watch our video at www.HabitatGreaterSac.org/Impact

Why Sponsor a home?

When you sponsor a new home build with Habitat for Humanity of Greater Sacramento, it's about doing more than just providing a safe, decent place to call home for a low-income hardworking family; it's about building hope and community for our neighbors and providing a springboard to a better life for the next generation.

See the next page to learn about ways your organization or business can gain valuable community exposure while improving the lives of local families who are looking for a hand-up, not a hand-out.

Help build your community.

Becoming a Habitat for Humanity home sponsor is an opportunity for businesses and organizations to join together with socially-engaged community leaders to improve our city. Your financial support allows us to purchase the necessary building materials and tools and supplies for these crucial home build projects. In exchange, your company gains unique team building opportunities and promotional visibility and access to our dedicated volunteers, brand, community members, and leaders -- a great way to show that community values fuel your business!
