Habitat for Humanity of Greater Sacramento is part of a global, nonprofit housing organization operated on Christian principles that seeks to put God's love into action by building homes, communities and hope. Habitat for Humanity was founded on the conviction that every man, woman and child should have a simple, durable place to live in dignity and safety, and that decent shelter in decent communities should be a matter of conscience and action for all

Habitat for Humanity of Greater Sacramento (Habitat) brings people together to build and preserve affordable homeownership opportunities for qualified low-income families, seniors, and veterans in Sacramento and Yolo Counties, and uplifts and revitalizes under-served neighborhoods and communities in the greater Sacramento region.

During the year ended June 30, 2021, despite continued and unique challenges amidst the global COVID-19 pandemic, Habitat for Humanity of Greater Sacramento impacted over 5,000 under-served individuals in Sacramento and Yolo Counties through home build, home repair, and community projects. The majority of individuals served through Habitat were BIPOC, women, and children. Additionally through Habitat's global tithe, Habitat impacted an additional 72 families in Nicaragua with affordable housing solutions.

Habitat's homeownership program serves low and very low-income families (earning between 30-80% of the Sacramento and Yolo County Area Median Income as determined by HUD) through the opportunity to build and purchase their own home with an affordable, 30-year 0% interest equivalent mortgage. The homes built with 500 hours of sweat equity from the qualified homeowner partner family and are energy-star certified, all-electric, EV ready homes to add increased affordability and sustainability for the homeowner partners. Through affordable homeownership, low-income families have the opportunity for safe, stable shelter and to build equity and assets for their family. This past year., Habitat completed new homeownership opportunities for 5 families in the Sacramento region with an additional 13 under construction.

In addition to Habitat's homeownership program, Habitat's Neighborhood Revitalization program services low-income homeowners (primarily seniors and veterans) earning under 80% of the Area Median Income in Sacramento and Yolo County with home preservation and repair services with an additional focus on also serving under-served neighborhoods through Community Impact Projects that uplift the entire neighborhood through the improvement of existing assets (examples include planting community gardens, adding amenities and upgrades to local community centers, revitalizing local parks). 37 home repair projects were completed during the year ended June 30, 2021 (with an additional 17 underway) along with 15 community projects.

The work of Habitat for Humanity of Greater Sacramento is only made possible through support from the local community. In the year ending June 30, 2021, we worked creatively and together with our community. The ReStore diverted over 1 million lbs. of usable materials from land-fill and generated critical operating revenue to help support Habitat's work and while volunteer numbers, due to safety, needed to be

smaller than usual, the volunteers who did come out put in substantial hours (over 10,000 volunteer hours contributed this past year). We looked for creative ways to engage and connect our donors and keep building forward in a time when the work of Habitat continues to be needed more than ever.

Despite the challenges the pandemic continued to cause on supply chains, skyrocketing cost of construction materials, labor shortages, and the number of volunteers that could be engaged on the construction site - through support from the local community, Habitat continued to build forward and ended this past year serving more individuals than any other year before.
