

# Build for Unity Week 2022

World Interfaith Harmony Week  
January 29th - February 5th, 2022

**Habitat**  
for Humanity®  
of Greater Sacramento

## Who We Are

Habitat for Humanity of Greater Sacramento provides affordable homeownership opportunities to low and very low-income families, as well as preservation opportunities to our community's vulnerable elderly and Veteran populations. We are dedicated to empowerment, not entitlement and bringing people together to build and repair hope, homes and community.

Since 1985, Habitat has built 160 homes in the Greater Sacramento and Yolo area - helping provide safe and decent housing to nearly 500 local children whose lives and futures have been forever changed through the Habitat program.

As a locally supported nonprofit, the work we do is only made possible through support from our local community.

To see the direct impact your support can make, watch our video at [www.HabitatGreaterSac.org/Impact](http://www.HabitatGreaterSac.org/Impact)

## Why Build for Unity?

"Build for Unity" is a monumental interfaith build program and effort by Habitat for Humanity of Greater Sacramento to bring people together of different backgrounds and faiths to put aside differences, build homes, and celebrate inclusion and diversity within our community.

The first Build for Unity homes were completed in 2017 with 180 different faith organizations and individuals from the Christian, Muslim, Sikh, Buddhist, Jewish, and other various interfaith communities partnering on the project. Piloted in Sacramento, the #BuildforUnity movement has now spread to more than 30 Habitat affiliates and cities nationwide.

For Build for Unity Week 2022, we hope to bring together over 250 volunteers from dozens of faith organizations together to raise \$50,000 and provide critical volunteer muscle to help build homes on our future 13-home Mandolin Estates development.

## What is Build for Unity?

Our pilot Build for Unity Project in 2016-2017 began a national campaign which has now sprouted interfaith Build for Unity Projects in over 30 cities across the US.

Build for Unity is a truly unique and exciting opportunity to come together, no matter what your skill level or faith background, and roll up your sleeves to promote positive, interfaith impact and unity in our greater Sacramento community.

Our Build for Unity initiative will take on an exciting new energy in 2022, as we condense our previously several months long campaign into a week-long mega-build taking place over **World Interfaith Harmony Week, January 29th - February 5th, 2022.**
