

# Build for Unity

## Groundbreaking Ceremony

Thursday, July 11th

**5125 Stoner Dr, Sacramento, CA 95820**  
**8:00am - 8:30am**

Join us for a very special groundbreaking ceremony on our interfaith Build for Unity project. This ceremony will symbolize the start of the project as we begin the infrastructure.

Above ground construction and volunteer opportunities to participate in the building of the homes will begin this fall.
