Join us, the Wirth family, and Health Net Federal Services for a very special groundbreaking ceremony on our FIRST EVER Veteran Home Build! The groundbreaking ceremony will celebrate our incredible partnership with Health Net Federal Services who made this Veteran Home Build project possible, as well as symbolize the start of construction on the Wirth family's future home.

This event is open to the public and all are welcome to join us and celebrate the start of this special project to help a local Veteran family build strength, stability, and self-reliance through affordable shelter. Above ground construction on the project will begin following the groundbreaking ceremony.
