

# Habitat's Home Repair application period is OPEN!

Applications accepted now through June 2nd!  
**Visit [www.HabitatGreaterSac.org/Home-Repair](http://www.HabitatGreaterSac.org/Home-Repair) to review the qualifications and apply.**

Habitat's home repair loan program provides qualified low-income homeowners (seniors, veterans, low-income families) with affordable health, safety, and energy-efficient repairs.

This application period is made possible through our partnership with SMUD.

Powered by:  **SMUD**<sup>®</sup>

**To qualify for the program, an applicant must meet the three following program requirements:**

- Applicants must own and occupy the home as a primary residence
- Applicants must be willing to partner with Habitat (including sharing their personal homeowner-story and contributing sweat equity hours towards the completion of their repair if physically able)
- Applicants must have the ability to repay a portion of the total repair cost (20% over 24-60 months at 0% interest)

Loans made or arranged pursuant to a California Finance Lenders Law license
