Home Sponsorship Opportunities

Habitat for Humanity of Greater Sacramento provides affordable homeownership opportunities to low-income families of our area, as well as home preservation support to our region's vulnerable elderly and veteran populations.

As a hand-up, not hand out, Habitat homeowner partners build AND purchase their homes. Additionally, through ownership, Habitat provides equity building opportunities to those who through systemic racism or lack of opportunity have historically been kept out of wealth building opportunities.

Habitat for Humanity of Greater Sacramento serves over 10,000 individuals annually through build, repair, and community projects.

As a locally supported nonprofit, the work we do is only made possible through community support.

Why Sponsor?

When you sponsor a build project with Habitat, it's about doing more than just providing a safe, decent and affordable place to call home for a low-income hardworking family, senior, or veteran - it's about building hope and community for our neighbors and ourselves.

See the next page to learn about ways your organization or business can gain valuable community exposure while improving the lives of local families who are looking for a hand-up, not a hand-out.

Help build a community.

Becoming a Habitat for Humanity home sponsor is an opportunity for businesses and organizations to align themselves with a respected nonprofit to improve our city and build housing. Your financial support allows us to purchase the necessary building materials, construction tools and supplies for these crucial home build projects. In exchange, your company gains unique team building opportunities, promotional visibility and access to our brand and impact!
